

Beach Music Rock Band

At Beach Music Studios we feel the best way to learn is by doing, and THE BEACH MUSIC ROCK BAND will be doing! In addition to 8 extra hours of rehearsal lessons a month, the band will be performing real gigs and/or recording professional CD's. Members of the band will build confidence in their playing and performing in front of a live audience, while working with other musicians above AND below their own skill level. This makes EVERYONE a better musician! Also, and maybe more importantly, your child will build new friendships and have fun doing something constructive and creative!

- ◆ Band rehearsals will be each Saturday of the month 11:00am - 1:00pm at Beach Music Studios.
- ◆ During the last week of each month the band will perform a live show or record a professional CD.

You can sign up on a monthly basis.

- ◆ No refunds will be given for missed days.
- ◆ For Beach Music Studios students it will be an additional \$125 added to their normal monthly tuition.
- ◆ For non-Beach Music Studios students the rock band tuition will be \$299 per month.

All instruments are welcome ages 10-16!
